

## CRISTINA MONEO

She was born on October 26, 1968 in Covarrubias, Burgos. She studied Fine Arts at the University of the Basque Country, obtaining a degree in 1993. She has lived in Asturias since 1995. Cristina Moneo develops her artistic activity performing Graphic Work and Painting. It also develops Artistic Training Workshops.

Her creative work is influenced by abstract graphic languages and Oriental Art. In addition, he studies and practices Japanese calligraphy and the Art of Tai Chi. Through these Sensibilities she gives her artistic work a refined taste for gesture, an exquisite graphic design and Transcendent Spirit designs and shapes each of his creations.

She complements his training with different engraving, painting and ceramics workshops (Getxo Culture Classroom, Antón de Candás Museum, Viña Lithography, etc.)

## EXPOSITIONS

Moneo has been selected in different Engraving and Painting contests and has had several individual and collective exhibitions in her career.

Although her greatest production is focused on her current residence in Asturias, Moneo's work can also be seen in other parts of Spain, such as the National Library in Madrid, where several of her engravings are on exhibition.
